As a program we wanted to give each player an opportunity to win prizes for selling tickets. The success of the ticket sales will determine future opportunities for our Varsity teams to play at Toyota Park. Just because you aren't on Varsity this year, doesn't mean you won't want this opportunity for yourself and your teammates next year and in years to come. We need to demonstrate that we are an elite program and motivated to sell tickets and get our fans to the game in order to have this unique opportunity available to future generations of Neuqua Valley Soccer Players.

How much fun will it be to play on an MLS Pitch? Now, get out there and sell!
